

# WOODSIDE DRESS CODE

## About

The game of golf has undergone a bit of a renaissance over the past 10 years. With that said, Woodside is a relaxed environment where the dress expectation can best be defined as “smart casual.” Since everyone has a different idea of what might be acceptable we have found that providing a guideline for minimum expectations is the best approach to defining what you should NOT wear.

Golf attire is preferred • Smart denim is permitted • Commercial logos and graphics must be in good taste • Smart casual does NOT include yoga wear, running wear, sweat pants, track suits, strapless tops, or similar athletic apparel • Swimsuits, tank tops, mesh shirts, halter-tops or cutoffs are also NOT acceptable. Running Shoes or Soft Spike Golf Footwear only.

Traditional metal spikes are prohibited. If you don’t own any clothing that matches our definition of “smart casual” then you can visit our fully stocked Pro Shop. Our capable staff would love to help outfit you with everything you need to enjoy a day on the links!

Questions in relation to the dress requirements can be forwarded to the Woodside Golf Services Department at 403.686.GOLF (4653).
