# EVENT INFORMATION

## Dress Code

Woodside offers guests a casual golfing experience. With that said, we still like to maintain a modest decorum. Please refrain from wearing ripped jeans, cut offs, tank tops, short shorts, sweat pants or swimsuits. Also, we aerate the greens once a year, so we don't need anyone to show up in metal spikes for unscheduled maintenance - soft spikes or running shoes only. If anyone does show up in these items, we will ask them to change. Participants can visit our fully stocked Pro Shop if they are need of clothing that is both stylish and conforming.

## Speed of Play

Slow play is one of the biggest complaints golfers have, so we take this seriously. The course marshals have the authority to inform slow groups and also to ask them to pick up their balls and skip holes to catch-up to the group in front of them. Remind all of your groups that it is their responsibility to keep pace with the group in front of them.

## Etiquette

Our team works hard to maintain our golf course. Please remind your groups to observe proper etiquette. Repair ball marks, fill divots and rake sand traps. Woodside is surrounded by a residential community, please be respectful of our neighbours. If a golfer hits a home, do the right thing and contact the Pro Shop for a lesson. Woodside has an Errant Golf Ball Program that handles the cost of repairs for broken windows that occur as a result of errant shots, so please don't hesitate to report any of these.

## Weather

We do our best to make sure that you and your guests have the best event experience possible. Most of the time Mother Nature cooperates with us, but when she doesn't we provide all of our guests with a 100% rain check policy that provides them the opportunity to play with us on another day. Tournaments will be deemed to be playable rain or shine, unless course management closes the course due to really stupid weather.

## Food & Beverage

Alberta affords us a relatively short golf season. As such, Food and Beverage must be purchased from Woodside in order for us to be able to pay our staff. The Alberta Gaming and Liquor Commission and the Calgary Health Authority also mandate that we need to be the ones that provide you with all of these goodies under our license agreements. We prefer that everyone goes home healthy and happy at the end of our events. We do make small allowances for concession items, all you need to do is get permission from us in advance. We enforce a zero tolerance policy for outside alcohol. Any alcoholic beverages brought onto the premises will be confiscated and playing privileges will be revoked without refund. Should you have guests with special meal requests, you can arrange these with the Woodside Team. Food & Beverage Meal Prices are subject to change. Prices quotes are valid for 60 days prior to the event.

## Prizes

All Woodside Tournament Packages include an allotment of \$15 (18 holes) or \$9.25 (9 Holes) per player for a prize pool. Tournament Organizers can either select merchandise from the Pro Shop or provide the winners with Gift Cards in denominations of their choice.

## Shotgun Starts

In order to host a Shotgun, Woodside requires that you have a minimum of 96 players. \*Tournaments with fewer than 120 players may have non-tournament guests included in their shotgun. It should be noted that events that book a shotgun and end up with less than 96 players confirmed 15 days prior to the event will have their start changed to a cross-over, or will be billed for 96 players in order to keep their shotgun start.

# MORE EVENT INFORMATION

## On-Course Food & Beverage Sponsorships

Should you or a sponsor wish to host an On-Course Food & Beverage Hole, the Woodside Team requires that you complete a Sponsorship request form at least 15 days prior to the event in order to ensure availability of product and staff. Please note that the number of On-Course Alcohol Sponsorships is limited as per the policies of the Alberta Gaming and Liquor Commission. To receive an On-Course Sponsorship Request Form - email us at: [info@woodsidegc.com](mailto:info@woodsidegc.com).

## Guaranteed Numbers

Woodside requests that you provide us with an estimated number of tournament guests at time of booking and that you update our team if there are drastic changes to this estimate in either direction. Woodside requests that Tournament Organizers provide us with the minimum number of guests to be attending 15 days prior to your event date. This will be the minimum number of players that you will be billed for. Woodside will require a minimum number of meals for your event 5 business days prior to your event, again this will be the minimum number of meals that you will be billed for. Finally, Woodside will require a list of your golf groups or teams 2 business days prior to your event.

Woodside Golf Course reserves the right to alter start times, course rotation or format should the number of players differ greatly from the original booking.

## Damages

We want you and your guests to have an insanely good time, but we also need to be able to continue to provide insanely good times to all of our guests - this means our facility and equipment need to be in working order. Tournament Organizers will be responsible for collecting property and equipment damages caused as a result of misconduct by their guests.

## Deposit & Payment Information

In order to reserve your requested date, confirmation is subject to availability and receipt of a completed Tournament Registration Form and Deposit. 100% of the deposit will be forfeited if you cancel your event with 60 days or less to your event. 50% of the deposit will be forfeited if you cancel your event outside of the 60 day window.
