# THE GOLF COURSE

Designed by renowned Canadian golf course architect William G. Robinson, Woodside Golf Course has been thoughtfully shaped through rolling Alberta parkland in a quiet master planned residential community. Don't underestimate the 6200-yard course, which winds through the community and around nine water hazards. Featuring lush, challenging greens protected by numerous bunkers, the par-70 layout is a popular choice with professionals and amateurs alike.

Boasting 4 sets of tees and a full compliment of practice facilities, Woodside offers a complete golf experience. Woodside upholds the standards of championship play while providing a worthy challenge to players at every levels. Currently celebrating it's 26th season as one of the Calgary areas most popular places to play, Woodside is ideally located just north of the City of Calgary and only 22 minutes from the downtown core.

# THE CLUBHOUSE

The 9,000 sq. ft. clubhouse provides a hospitable atmosphere in which to relax and entertain. It offers everything you would expect, including a 160 seat dining room, lounge, snack bar, outdoor patio, men's and ladies locker rooms, club storage, modern pro shop and meeting room.

You'll find a staff complete with CPGA Professionals in the golf shop to help fit you with the latest clothing and equipment, and also to provide you help and encouragement with your game.

# **Memberships**

Woodside Golf Course has developed three unique forms of Membership in order to meet the needs and wants of today's diverse consumer. The Woodside offering delivers as one of the most competitive and rewarding Membership Packages available at a Semi-Private facility in the Calgary and area market.

## **UNLIMITED PLAY OPTIONS**

### Personal Shareholder Membership

- Comprised of our highest level of benefits, privileges, opportunities and rewards - Personal Shareholder Membership is the pinnacle in Unlimited Play Membership at Woodside Golf Course and provides the lowest Annual Dues rates of our Unlimited Membership offerings. These Memberships are currently SOLD OUT and are only available via private purchase from a current Woodside Shareholder.

### Seasonal Membership

- Provides purchasers with many of the same great benefits that are enjoyed by Personal Shareholder Members, but with no future Annual Dues commitments. Annual Dues are higher and privileges slightly reduced, but this is still an exceptional value for someone looking for a single season commitment for unlimited play at a popular golf course.

## **PREPAID PLAY OPTION**

### Corporate Shareholder Membership

- Prepaid Green Fee play has never been simpler or come with as many privileges as Woodside's Corporate Shareholder Membership. Passes can be purchased in packages of 48, 60, 80, 100 or 120 and utilized by anyone - a great promotional tool for businesses. These Memberships are currently SOLD OUT and only available via private purchase from a current Woodside Shareholder.

## **PAY PER PLAY OPTION**

### Flex Membership

- Newly introduced for 2015, Flex Membership provides many great Membership Benefits. For just \$375+GST Initiation, you can be a Woodside Member and receive 40% off the posted Green Fee rate whenever you play! Looking to play more this season? This might be all the motivation you need!

# Shareholder Membership

## PERSONAL & PROFESSIONAL SHAREHOLDERS

Shareholder Memberships offer the highest level of benefits, privileges, opportunities and rewards available at Woodside Golf Course. Woodside has recently sold out of Membership Shares, but they are still available for purchase privately via Woodside Members who are looking to sell. Please contact Geoff at 403.686.GOLF (4653) or [geoff@woodsidegc.com](mailto:geoff@woodsidegc.com) for an updated contact list of Private Sale Membership Shares.

Woodside's Membership Shares have equity in that they are able to be resold to interested parties at a price negotiated by the owner of the share, provided their Membership is in good standing with Woodside Golf Course Inc. A Transfer Fee of \$1,000+GST is required at the time of transfer. These fees are held in trust until they are approved to be incorporated into the facility Capital Improvements Plan. All transfer fee revenues are utilized to continually improve the golf course and facilities at Woodside. The sale of any Membership shares results in more funds for capital improvements.

Woodside Golf Course is privately leased and operated by Woodside Golf Course Inc. and the management and control of the golf course is vested in the Director of Woodside Golf Course Inc. No person, firm or corporation other than the Directors has control over the affairs of the golf course. No Member shall acquire any interest whatsoever in the property and assets of Woodside Golf Course Inc. All Woodside Shares are thus non-voting.

Annual Membership Dues are compulsory for all Principal Woodside Membership Shareholders. In the event that a member is unable to golf due to health reasons (Doctor's Note Required) or is transferred out of town for work that results in their principal residence being located more than 150 km from Woodside Golf Course, the Director may afford the opportunity to pay Annual Inactive Membership Dues for the season, which are currently set at \$375.00+GST. This will keep their membership in good standing.
